

Intermediate Beekeeping
Intermediate Beekeeping for the South Islands of BC
Tuesday, April 26, 2022 at 7:00 pm
Fee: Course - **\$235.00**
Notes available on-line as a PDF file, Theory only

Presented by Barry Denluck:

Barry has been a beekeeper in the Victoria area for 20 plus years and avid gardener for more than 25 years. He is an accredited Bee-Master and BCPA certified instructor.

Course Requirement:

For this course it is expected that the beekeeper have at least 1 year but preferably 2 years of experience.

Course Description:

This intermediate beekeeping course offers participants theory only. The course is comprised of 4 evening class room sessions of 2 ½ hrs each for a total of 10 hrs. Support by website, texting or email is included for one season. On-site consulting services available for a fee.

Course Objective:

This course is intended to enhance your beekeeping knowledge and practices. The intermediate beekeeper should have a thorough understanding of the yearly cycle of bee management within the local climate of the South islands.

Curriculum:

- History of beekeeping, The honeybee society, Honey bee physiology
- Health and wellness of a honey bee colony
- Managing brood chamber, maximizing development
- Hive requirements from a bees perspective as a supra-organism
- Pest management, mites, wasps and others
- Pathogen management, fungi, bacteria and viruses
- Swarm management, Honey harvesting and marketing
- Fall management, preparing for winter, Bee health
- Failed colony assessment
- Overall yearly management protocol

Note: A bee veil for over the head protection during the field sessions is required. Course material is included.
